

CaseRite 3.9.2 Release

Please note that the following update was made to CaseRite on March 30, 2009 and is now available for download from the Information Systems Web site. This new update is mandatory for all CaseRite users, regardless of whether they have updated the application recently or not.

Please be sure to download the new update. The following change was implemented in CaseRite version 3.9.2.

- At the request of the Office of Enforcement, the Notice of Claim has been modified so that case numbers print within the History of Prior Violations paragraph and before the new Section 222 paragraph.
